During a family vacation, **RM Elegant** will be undoubtedly ideal for hosting a party, with a capacity for 100 guests while at anchor and 150 guests when berthed.

The yacht is the perfect setting for a special occasion and thus with good reason she has become known as “**The Party Boat**”.

After all few charters occur without a party on board RM Elegant be this a birthday or some other special event!

RM Elegant is a cutting edge yacht to offer prestige to any kind of event, popular already for the legendary events taken place on board: Birthday's, anniversaries, charity events, presentations, happenings...

Some of the events on board:

A birthday party in the bay of Beaulieu for 100 guests – entertainment provided by Brian Adams... that was some evening!
